- Subject-Verb Agreement, Double Subject, Run-On Sentence, Comma Splice, Comma (Numbers), Verb (Irregular)

A bullfrog can lay 20000 eggs at once a giant anteater she eats up to 30,000 ants in a single day. The smallest hummingbird move its wings 60-70 times a second. About 3800 species of wasps lives in the United States and Canada, but there are 17000 species worldwide. I don't know who taked the time and had the patience to count eggs, ants, wing beats, and wasps, I'm sure whoever it were needs glasses now.
